## 🎉 Congratulations Year 6! 🎉

We are incredibly proud of each and every one of you for your dedication, hard work, and positive attitude throughout your SATs journey. Your resilience and commitment have truly shone, and you've approached every challenge with determination and a smile. Remember, these tests are just one small part of your incredible abilities. Your kindness, creativity, and teamwork are what make you truly exceptional. Well done, Year 6 – you've made us all so proud! 🌟

## What have we been up to?

**This week in Owls & Goslings,** We were so excited this week to discover that The Gingerbread Man had visited our classroom. We then used clues to find where he was hiding. The children have also been working hard to learn the story of The Gingerbread Man using actions in preparation for writing it.

**This week in Skylarks,** we had an exciting new addition to the class in the form of 5 chicken eggs! We were super excited and had lots of questions which we incorporated into our SAW day all about eggs! We researched lots of different bird eggs and found out that other animals lay eggs too such as platypus. We designed and built egg carriers and tested if they would protect our eggs when launched onto different surfaces. In the afternoon we looked at Andy Warhol's egg art and made our own colourful egg throw collages. To finish our week 2 of our eggs hatched this afternoon which was amazing to see!

**This week in Kestrels,** In art we added the clay to our sculptures! Everyone showed great creativity and we can't wait to show you when they're dry!

# Cake Friday

Congratulations to Patrick, who won our Cake Friday today! We would like to thank Miss Stanley for her lovely chocolate/ brownie cake and everyone for taking part.

We have raised a lovely £13.90!

We look forward to our next Cake Friday, which will take place Friday 6th June with a wonderful creation from Mrs Albrow!
