# What have we been up to?

This week in Owls & Goslings, we learnt about the Peddlar from Swaffham. After learning about his life story, the children shared their own dreams. We made a timeline from oldest to newest, comparing pictures.

This week in Skylarks, learnt all about Egypt! We researched about Howard Carter from Swaffham who discovered Ancient Egyptian tombs.

This week in Kestrels, we visited Gressenhall for a Victorian Activity Day! We also learnt about Duleep Singh from Elveden, he was exiled from India and created an Indian Palace in Elveden.

### The Nest.

The children returned from half term to some strange goings on at the school. Mrs Godbold received some emails from local residents concerned about odd noises being heard and strange shapes being seen on the field. She shared this news with the children and they were very keen to go out to investigate. After searching the grounds they found a nest of hatched eggs and a large unhatched egg. What could have laid these? Where have the hatchlings gone? What what will happen to the large egg? Should we be concerned? The children let their imaginations run wild and have came up with ideas from dragons hiding in the building to land walking whales and everything in between. They are busy documenting their findings and we can't wait to read the results.
