What have we been up to?

This week in Owls & Goslings, We have practised our sewing skills by making bags and adding straps or buttons. The children should feel so proud of themselves! We have been continuing our learning about pirates and discovered a map this week and answered Hallie's question "Why do we have waves?"

This week in Skylarks, we learnt about fractions using multi link cubes to help show different coloured quarters up to a whole. We have also started to learn about the events of the Great Fire of London and retold the first part of the story using a story bag of props.

This week in Kestrels, in DT we designed our treasure boxes! We thought about our themes, who our box is for and what we can do to keep the treasure secret, linking with our theme this term of 'solving mysteries'.
