

<p><u>Summer Term in Oak Class</u></p> <p>Welcome back to our final half term together. This half term we will take part in Sports Day and complete lots of transition activities to get ready for our move to Year 1. We are very excited to be in Hazel Class.</p> <p>Thank you for all your support and kindness during our time together in Oak Class. We love being part of your child's school journey and look forward to watch them grow over the years. Please email us with any questions you may have and thank you in advance for all your help and support.</p> <p>Mrs Keeler and Mrs Harker.</p>	<p><u>Mathematics</u></p> <p>This half term we will be revisiting all the many number skills we have learnt over the year. We will put lots of counting, estimating, measuring and problem solving to good use in real world and game scenarios. We will also be bringing home some family maths activities to do together.</p>	<p><u>Personal, Social and Emotional Development</u></p> <p>We will continue to learn all about ourselves and each other. We will practise a lot of team games in the build up to sports day and we will learn about being a "good sport". We will share our feelings about growing older and getting ready to change class too.</p>
<p><u>Understanding the World</u></p> <p>We look forward to watching our class caterpillars grow and change, and then releasing them as butterflies into the school garden. We will explore the many different technologies available to us, and practise our maths and English skills with different computer games.</p>	<p><u>Expressive Arts and Design</u></p> <p>We shall experiment with colours and colour mixing this half term, and also paint our own self-portraits. We will then compare these to the portraits we painted when we first joined Oka Class – how have we changed?</p>	<p><u>Communication and Language</u></p> <p>We shall be using our words to explain our learning and understanding. We will talk about all the new words we have learnt and what they mean.</p> <p><u>Literacy</u></p> <p>We will be using all the sounds we know to develop our independent writing, writing cards, postcards, letters and stories.</p> <p><u>Physical Development</u></p> <p>PE days will be <u>Wednesday and Friday</u>, please send your child to school in their PE kit on those days. We will be learning some team games and athletic skills, alongside devising our own activities for sports day.</p> <p>We will also continue to strengthen our hand muscles with scissor skills and play dough.</p>
