

# OWLS & GOSLINGS NEWSLETTER SUMMER TERM

## Our Learning

### Theme: Celebrating Self

#### English

We have read *My Shadow is Pink* by Scott Stewart, talking about how we are all unique and used the book *Incredible You* to identify what is great about us. We are going to read *The Gingerbread Man*, learn the actions and do a retelling. In Summer 2, we will learn about pirates as part of our English and history using the story book *The Night Pirates*. We will also enjoy the Hairy McClary series.

#### Phonics

Reception will be practising and embedding their phonics digraphs and trigraphs and learning common exception words (my, said). Nursery will have regular group time exploring sounds and rhyming centred about a practical activity, song or story and will be starting to recognise and/or write their names if they are ready..

#### Handwriting

We are learning how to accurately form n, m, r, h, b, p. We will then move onto c, o, a, d, j, q. Please do encourage your child to form their letters accurately when writing at home too - practice makes progress! Nursery are beginning to attempt letters of their name.

#### Maths

We have been exploring the composition of numbers to 20 and counting beyond 20. Next half term, we will explore 2D shapes in more detail and begin to explore early division and multiplication through sharing and grouping in practical contexts. Nursery will enjoy short maths activities centred around patterns, shape, matching, sorting and comparing.

#### Other areas of learning.

We will explore children's questions including: Why do we have waves? Why do pirate hunt for treasure? Why do they go on ships? We will link our learning to history and geography with some fun mapping activities. We will continue regular circle time activities and lots of physical development.
