Class News

Owls & Goslings

Owls and Goslings have had another very busy week continuing to learn about spiders. When we came into class all of the spiders had disappeared so we made a lost poster. Please let us know if you see them! We have also made webs using our weaving skills and fabulous spiders using paper plates and pipe cleaners.

Skylarks

This week in Skylarks we have been learning about the human body in Science. We took photos and labelled the outside parts of our body then drew scientific diagrams of the inside of our body. We found out where our heart, lungs and stomach are and the jobs that these body parts do. In English we have enjoyed using the Mighty Writer to plan our own stories based on our Billy and the Beast writing book.

Kestrels

In Kestrels this week, we have wrapped up our Titanic work and our ocean studies. We held an art gallery for the other classes with our own gallery descriptions for the other classes to visit. We also finished reading Kaspar: Prince of Cats and wrote a follow up chapter about the character of Lizziebeth.

Star, Wow and Writer of the week

Owls

Wow - Alfred for excellent listening and contribution during our no plan day
