Owls & Goslings

This week in Owls and Goslings we have become detectives to spy for signs of Autumn. We went on an Autumn hunt around the village and discovered conkers, pine cones, mushrooms and much more. We talked about the colours of Autumn and enjoyed printing leaves using yellow, red, orange and brown. We have also been working very hard on phonics; Goslings have been enjoying the story of Simon Sock to learn the sound 's' and Owls have already learnt the sounds s,a,t,p,i,n. A very busy but enjoyable week.

Skylarks

This week in Skylarks we have been researching the animals in our Billy and the Beast story. We found out about different baby animal names. We have also been thinking about how we use maps in Geography, looking at google earth and zooming in to find Swaffham and the nearby villages. We have made journey sticks for a route around our school grounds using arrows to change direction.

Kestrels

Kestrels have had a great week learning about Titanic. We looked at the differences between the facilities on board for the different classes. We have also been reading Kaspar Prince of Cats where we have just learnt that one of the main characters is about to go home on Titanic! In Science, we created boats out of foil and discussed the forces acting upon them.

WE'RE TAKING PART IN WELLY WALK WEEK! 6TH - 10TH OCTOBER 2025

We are joining local charity Home-Start Norfolk for 'Welly Walk Week' raising funds and helping to give children the best start in life, one school run at a time! Ending on World Mental Health Day we are inviting you to take part in this fun fundraising week! We are encouraging you and your child to walk to school in your wellies for one week and collect sponsorship from friends and family. Each child that takes part will receive a sticker, colouring sheets and a certificate! By taking part, you're not just starting the day on the right foot - you're helping other families in Norfolk take their first steps toward a brighter future.

Where is the money going?

Last year Home-Start Norfolk supported **427** families, empowering parents to give their children the best start in life. We encourage you to collect donations to Home-Start Norfolk, to help them support even more families and children in our region. This is the difference your fundraising could make:

£5 could cover the cost of one hour of a volunteers time.

£15 could pay for a family to join a baby activity group.

£35 could cover the cost of one home visit for a family.

£400 could cover the cost of home visiting support for a family for 3 months.

Set up your JustGiving page or make a donation via the Home-Start Norfolk JustGiving Page : www.justgiving.com/campaign/wellywalkweek25
