

## Autumn Term 2

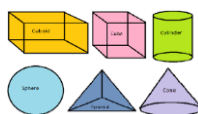

### English

This half term we are using the story “Billy and the Beast” for our English lessons. They will start with making wanted posters and will move onto character descriptions. They will finish the topic by writing a story about defeating a monster!

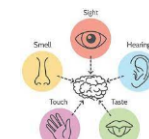

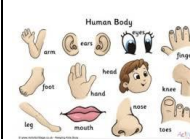

### Maths

This half term we are focusing on addition and subtraction. Children will be learning number bonds within and to 10, as well as finding fact families. At the end of the half term, the children move on to looking at shape. They will be naming and sorting 2D and 3D shapes.

### Science

In science this half term, we are learning about the human body. We will start by naming different body parts. We will use the book “Funnybones” to make and label skeleton pictures. We will then learn about our senses.

### Geography

This half term, we will be looking at human and physical features. The children will be labelling pictures to show the different features and will have a walk around the village to see what they can spot.

**Our theme this half term is “Helpful Heroes”.**

### Art

This half term we are continuing our work on self-portraits. We will look at adding some shapes to our portraits so that they are in the style of Picasso.

### Music

In Music this half term, we will be learning our Nativity songs, ready to perform to you at the end of the half term. You will be given more information on Nativity roles and costumes by the end of next week.

### RE

Our enquiry question this half term is “How does a celebration bring a community together?” To answer this question we will compare how Christians celebrate Christmas with how Muslims celebrate Eid. We will end our learning by recreating both celebrations in the classroom.

### PE

With Mrs Jermy on a Friday, children will be doing Yoga. Mr Brotherhood will be continuing with Ball Skills on a Monday.
