## Meal Booking & payment

If your child is in **Acorns, Cedar, Rowan, Elm** or **Sycamore** there needs to be sufficient credit balance in your Meals account to cover the cost of your current and **future** meal choices, your choices are added to your [Basket](#) before being fully confirmed.

You can identify which choices are unconfirmed by looking for the words "In basket" and by referring to the warning banner at the top of the page, alerting you that there are **Meal choices in**

Week beginning 08 Sep 2025	
Monday	Jacket Potatoes
Tuesday	Stew
Wednesday	Jacket Potatoes
Thursday	Jacket Potatoes
Friday	Jacket Potatoes

basket.

### Meal choices in basket

You currently have meal choices in your basket. [Go to your basket](#) to complete checkout and confirm your meal choices.

Click on the **Go to your basket** link in the banner or head to **My Items > My Payments** using the top menu to view your pending choices.

If your balance is sufficient, clicking **Checkout** confirms your selections instantly. **If your balance is not sufficient, you'll need to enter your card details to pay the difference before confirming your choices.**

## How to change a meal choice

To edit a meal choice that has already been made, **you must first remove the current meal choice.** If you do not do this first, you see a red warning message alerting you that "[you cannot add a meal choice for [the date], because one already exists. Please remove the existing meal choice first" when you try to change the meal choice.

To remove a meal choice:

- Click on the day you want to change to open the edit screen.
- Update the meal choice to **No Choice Selected** using the dropdown
- Click the green **Process** button to delete the choice
