A huge thank you to Ben of B.P Jermy Electrical Services for putting up our festoon lights. They look absolutely magical and have transformed the space beautifully. The children are completely enchanted by them and have been talking about how lovely they look ever since they were switched on. We really appreciate the time and effort you put in—thank you.

Huge thanks to Mundford Parish Council for inviting FOMS to be part of the Mundford Christmas Switch On. It was such a wonderful community celebration, and it was lovely to see so many people come together.

Thanks to parish council's generosity, we raised £44.18 through hot drink donations and thanks to your wonderful donations to the class hampers (which everyone thought were amazing!) we raised £330.

Special thanks to Mrs Jermy and Miss Clucas for volunteering at the event.

Understanding the New Ofsted Changes

Ofsted has introduced a new way of reporting on schools. Instead of giving one overall grade like “Good” or “Outstanding,” schools will now receive a “report card” that explains how they are doing in different areas — such as teaching, behaviour, inclusion and leadership.

The aim is to give families clearer, more useful information about what a school does well and where it is working to improve.

If you’d like to read more about the new Ofsted framework and how the report cards work, you can find the official guidance here:
