## Class News

### Owls & Goslings

This week we have had a week all about Supertato! The children came into class on Monday to discover some vegetables had been trapped and we had to free them. They then wanted to make a trap for evil pea and created their own super vegetables. The children have made wanted posters so if you see Evil Pea, please let us know!

### Skylarks

This week in Skylarks we have been doing lots of RE. In Y1 we have been learning about Shabbat, the Jewish day of rest. We found out some things they are not allowed to do on that day, such as drive, use electronics and even switch on lights! We made Challah bread part of the special meal they eat on Shabbat. In Y2 we have been considering how people belong to a faith family. We thought about special celebrations that people go to church to celebrate with their faith family and learnt what happens at a Christening. We walked to church to look at the font and found out how it is used.

### Kestrels

In Kestrels this week, we have had a brilliant time wrapping up our Science and Discovery topic! We visited Old Hunstanton beach on Wednesday and the children did not let the weather dampen their spirits. They found some beautiful shells, including some sea urchins and crabs and had fun paddling in the sea (although some took paddling to the extreme). We also had a lovely Friday eating french food in our Salon de The. The children practised their French and ate croissants, pains au chocolat and crepes. Delicieux!
