Number Day 2026

We will be celebrating Number Day across school on **Friday 6th February**, as children take part in fun mathematical activities.

Dress up as Digits

As part of the day, children can wear an item of clothing with a number on it. It could be a favourite sports top or cap, or even a onesie. You could get more creative and design a unique t-shirt, hat or even become a human-sized calculator or dice!

We look forward to seeing what you choose.

Need some ideas - photos on the last page.

FOMS

FOMS have set up a wish list for the school, making it easy for classes to request resources they would love to have. Any items requested by classes can be added directly to the wish list by the teacher.

If you would like to purchase an item that directly benefits your child's class, we know it would be very gratefully received and make a really difference.

Thank you so much for your continued support.

School Council

Penny wars is in full flow, many classes have been sabotaged already with silver coins, so don't forget to bring your 1p & 2p coins for the class jars to keep adding to the total. Keep your eye out on our social media, where we will be giving updates on the totals.

Thanks for all your support.
Love from The School Council.
