## Attendance Matters

Being in school every day really does matter. Good attendance helps children keep up with their learning, build friendships and feel part of school life.

Did you know? **80% attendance means a child misses the equivalent of around 7 weeks of school in a year.** That is a lot of lost learning.

Each week we will now be sharing **class attendance figures and the overall school attendance compared with the national average**, so we can all work together to keep attendance high.

Thank you for your continued support in helping your child attend school **every day and on time whenever possible.**

## Musicians wanted

Calling all budding musicians - We will be continuing showcasing our musical talents after the Easter holidays in our weekly sharing celebration worship.

If you can play an instrument and would like to perform in worship on a Friday morning, please let me know and I will arrange the date, you can catch me on the playground after school or via email:

### Our Musical Talents

We have started sharing our musical talents in sharing worship on a Friday. The children have been singing and playing instruments in front of the school and we have loved watching them.

Follow the link below if you would like to see some videos of performances from this half term.

## Tea with Mrs G

The Easter Tea with Mrs G was held on Thursday for the children who received Gold Cards in recognition of their outstanding work and values throughout the Spring term. This special event takes place once a term and is always themed to reflect the season, making it a much-anticipated celebration for the children. On this occasion, the children enjoyed a selection of wonderful Easter treats and took part in a range of creative, seasonal crafts. It was a lovely opportunity to celebrate their achievements in a relaxed and festive atmosphere, and the children represented the school beautifully.

## Parking

A car was damaged last Friday (20<sup>th</sup> March) whilst parked in the Cricket Club car park, if anyone has any information regarding this could you please get in touch. Thank you.

The Village Hall committee has asked us to remind everyone to please keep their reserved and disabled bays clear (*unless you have a permit*). We're so lucky to use their space, but we risk losing that privilege if the rules aren't followed.

Let's work together to keep our parking spot safe for everyone!"

## Comic Relief

Thank you to all who donated a total of **£113.30** was raised.

## Amazon Wishlist

FOMS have set up a wish list for the school, making it easy for classes to request resources they would love to have. Any items requested by classes can be added directly to the wish list by the teacher.

If you would like to purchase an item that benefits your child's class, we know it would be very gratefully received and make a really difference.

Thank you so much for your continued support.

## Eco

As many of you know we are focussing on being as eco friendly as possible in keeping with our sustainability plan, as part of this plan we intend to rewild some of the school field. Our hope is to make a wild flower area that will encourage pollinators to visit. We will also be adding a pond to our wildlife garden and redeveloping that area to make it a haven for wildlife. If you have any seeds, bird feeders, bat/bird boxes that you would like to donate to the cause we would really appreciate it. If you have any other ideas to help us with this project we would be happy for you to share them with us.
